

Specialist Light Commercial Vehicle Technicians

We have vacancies for experienced specialist LCV Technicians from **all automotive backgrounds** to join our day shift team in Mallusk.

You will have your own workshop and ramp to enable you to work efficiently on key contract light commercial vehicles. These are all makes including Renault, Vauxhall, Fiat, Ford etc. You will be required to undertake all levels of maintenance including planned servicing and repairs, diagnostics and major repairs.

The successful candidates must be capable of following the repair process from fault analysis to completion as well as road testing vehicles.

Candidates must have the following attributes:

1. Be apprentice trained and qualified to City & Guilds Level 2, BTEC or NVQ in relevant course or equivalent.
2. Experienced with either car or light commercial vehicle knowledge and experience.
3. You must have a good knowledge of modern diagnostic equipment/techniques.
4. A full valid driving licence.

Desirable

5. Qualified to City & Guilds Level 3, BTEC or NVQ in relevant course or equivalent.

Next steps:

6. Please email your CV and covering letter to jobs@ni-trucks.co.uk.
7. You should ensure your experience meets the job criteria outlined above.
8. Closing date Friday 8 November 2024.
